

### Italian car market – January 2023

#### Clear improvement in January (+19%) of the Italian car market

#### **Secondo l'Anfia "**

According to Anfia "

"Positive opening in 2023 for the car market (+19%) - which follows the double-digit increases recorded in the last three months of 2022 - also thanks to one more working day compared to January 2022 (21 working days against 20) and compared with a heavy drop in the first month of 2022 (-19.7%) - says Paolo Scudieri, President of ANFIA .
